

## Mini Flying Disc - Stash Buster

Pattern designed and provided by  
Penny Lee Stewart, [pennybiz@yahoo.com](mailto:pennybiz@yahoo.com)  
(Beginner)

**NOTE:** Crochet with 2 strands of yarn held together, using one or two colors, in a spiral\*\*. Finished disc measures approximately 6 inches in diameter.

**Yarn:** Worsted weight #4 acrylic yarn

**Hook:** Size I (5.5 mm)

### Abbreviations:

MR = magic ring  
sc = single crochet  
dc = double crochet  
hdc = half double crochet  
ss = slip stitch  
inc = increase  
dec = decrease  
R = round or row  
ch = chain  
sts - stitches  
x \_\_\_\_ = Repeat the steps (in parenthesis) the number of times indicated

### Directions:

**R1:** Holding two strands together, chain 6, and connect the chain with a slip stitch to form a ring. Crochet 12 double crochet sts into the ring OR Start with a Magic Ring. Make 12 dc sts into the MR, tighten. Place a stitch marker after the 1st row, and move it after every row. Continue to crochet around in a spiral.\*\*

Do not join rows.

**R2:** (inc in ea st around) x12 = 24

**R3:** (dc, inc) x12 = 36 sts

**R4:** (dc2, inc) x12 = 48 sts

**R5: \*The SC Edge:** Use two strands of yarn same as the disc or use a contrasting color and **sc around**.

**NOTE:** In order to do a smooth transition from the double crochet to the single crochet, you need to crochet 1 hdc in the next stitch and 1 sc in next, to step down the height of the stitch before the sc edging.

Slip stitch in next stitch and fasten off, cut yarn, weave in the ends.

**\*Alternative Edge:** You could do a row of Crab Stitch (Reverse Single Crochet) in the final row. Be creative. Have fun.

### \*\*Spiral crochet method or join rows:

If you prefer, you can join rows with a slip stitch and ch2 at the end of each row.

**NOTE:** Do not roll your Mini Flying Discs when shipping as they will be shipped flat in our care packages.
