WHO WE ARE

Operation Gratitude is a nationwide nonprofit whose mission is to lift spirits, say Thank You to our Military and First Responder communities, and honor their service by creating opportunities for all Americans to express their gratitude through hands-on volunteerism. In March 2003, Operation Gratitude sent its first four care packages to deployed service members in Iraq. Since its inception, the organization has delivered nearly 4 million Care Packages to Deployed Troops, Recruit Graduates, Veterans, Military Families, and First Responders. The Volunteers of Operation Gratitude are a generous and spirited grassroots network of Americans joined in common cause to say “Thank You” to all who serve our great nation. For more information, visit OperationGratitude.com or follow us on social media.
This year—2023—marks the 20th anniversary of Operation Gratitude, an extraordinary and unique achievement for a grassroots, volunteer-fueled organization! We are proud of our many accomplishments over these twenty years, both in terms of the number of Care Packages sent and the countless Americans impacted by our mission—including both our Volunteers who create the packages, and the Military and First Responder members who receive them.

During the 18-month period from January 2022-June 2023, Operation Gratitude held over 60 Assembly Events nationwide to assemble and distribute 464,000 Care Packages to our nation’s Service Members and First Responders. These numbers far surpassed our initial goal, increasing the number of Care Packages shipped by 110%, due primarily to the unexpected deployments to the Eastern European Theatre in response to the Ukraine crisis.

The economic environment in 2022 and 2023 was difficult across the United States. Like many non-profits and companies, our revenue was negatively impacted. Individual and corporate giving decreased while the cost of shipping packages both domestically and overseas increased immensely. Despite these challenges, and with your extraordinary generosity, we were able to continue providing critical support to our nation’s Military and First Responder communities without interruption.

As we look to the future, we remain committed to our mission of saying “Thank You” and providing unique volunteer opportunities for every American to express their gratitude and support to all who serve. We also understand the importance of prioritizing financial sustainability in 2024 and beyond, to ensure we can continue to make a positive impact for many years to come.

Thank you for being a part of our journey and for your unwavering support. We look forward to sharing more stories and exciting news with you in 2024, including the assembly of our 4 Millionth Care Package!

With gratitude,
Carolyn Blashek

RECIPIENT TESTIMONIES

We received our care packages over the weekend, and I would like to personally thank you all for everything you all do. The care packages brought so much joy to my Sailors that I wish I can convey that through email.

-USS Nimitz

Arlington County Sheriff’s Office

“The deputies and staff were absolutely THRILLED to receive the care packages!! We are so grateful for the thoughtfulness. I heard one deputy say “the most important thing out of this entire box is the handwritten note that truly makes you feel like you’re appreciated and making a difference.” Several others said “Man, this is some really cool stuff!” and “after a long day of shift work, this really filled me up.” They happily traded paracord bracelets and beanie babies and just increased morale in general.”

Operation Gratitude Volunteers are a nationwide network of enthusiastic Americans who share a common goal of expressing gratitude to all who serve our nation. Our volunteers participate in various activities such as assembling Care Packages, writing letters, knitting scarves and hats, making paracord bracelets and lanyards, and sharing their passion for service.
243.8K
LETTERS OF GRATITUDE
Americans of all ages wrote 243,800 letters of gratitude which were included in our Care Packages to Service Member and First Responders.

223K
PARACORD BRACELETS
Handmade with Love Volunteers created 223,000 functional and meaningful paracord bracelets and lanyards for our Care Packages.

222K
HANDMADE CARDS
Operation Gratitude Volunteers put their crafting skills to work making 222,000 greeting cards that our deployed troops can use to write home to their loved ones.

49K
HANDMADE KNITS
During cold winter months, we include a lovingly hand-knit scarf or hat in the Care Packages we send to our Service Members and Veterans. Our Handmade with Love Volunteers created 49,000 of these handmade knits this year.

3,481
GROUP SERVICE PROJECTS
3,481 volunteers participated in hands-on events to support our nation’s heroes.
“I love serving as an Operation Gratitude volunteer because the organization provides many opportunities for me to demonstrate my appreciation to many of our country’s Heroes. Volunteering also enables me to carry on the legacy of selfless service of my family’s fallen Hero, Captain Jesse Melton III, USMC. I am determined to seize every opportunity to assure our Heroes that I along with many others are very grateful for their service.

- Janice Chance, Owings Mills, MD

“ When I volunteer at Operation Gratitude, at the end of the day I always feel like I’m cheating because no matter how much I give, I always feel that I got more out of the experience. There is no doubt in my mind that you meet the finest people when you volunteer. I have made lifelong friendships, including with many people who are from stations higher than mine and normally our paths may not have crossed. Being a Veteran, I know the value of a letter or a package when you are away from home. Most assume that everyone has family and friends that provide that touch of home with letters and packages, but that is just not the case. Operation Gratitude fills that gap. I encourage nearly everyone I meet to at least give it a try; most will continue to return to Operation Gratitude.”

We want to put smiles on the faces of our Military personnel and First Responders and let them know their sacrifices are recognized and appreciated. While I love helping pack the care packages, assemble the Battalion Buddies and make the paracord bracelets, my favorite thing is being able to hand a care package directly to a New Recruit as they graduate from Basic training at Lackland AFB.

—Karen Mueller, San Antonio, Texas

“My favorite thing about volunteering is the positive impact I can have on those in need.

I have always wanted to support the men and women who serve our nation in the armed services. My Eagle Scout project involves assembling 800 comfort kits and 800 hygiene kits for distribution through Operation Gratitude. I am excited about and grateful for the opportunity to supply active duty military personnel with these comforts and reminders from home.”

From donating products that our military and first responders will enjoy, to rallying employees to join our compassionate force of volunteers, we are grateful for all of our corporate sponsors that make our Care Packages so special.

“This event helped remind us of the sacrifices made by our servicemembers every day. It helped bring our department together because we know the recipients do so much for this Nation and appreciate these small Care Kits while deployed away from home. It reinforced the selfless service of our military personnel.”

THOSE WHO SERVE NEED YOU MORE THAN EVER.

Since the delivery of our first four Care Packages in March 2003, we have successfully delivered nearly four million Care Packages to courageous individuals who chose to serve our nation. Our primary aim is to express unwavering support to Deployed Service Members, their children at home, Recruit Graduates, Veterans, and First Responders. We stand united in honoring their bravery and service while offering Americans nationwide an opportunity to say "thank you" to all who serve.
